

# “Our Stories”

An exhibition of strong black and white photographic images by Hanne Johnsen which reflect a diversity of people living with disability will be shown at the Left Bank Gallery from the 4th to 20th April. The images are from school, work and family time. “Our Stories” is an exciting two year joint project between CCS Disability Action and IHC who have committed to managing and resourcing “our stories” throughout New Zealand. Components of this relate to sport, recreation and leisure, employment, education (with school involvement) and a photo exhibition. Information sharing will be the focus of each day at the Gallery.

WHY NOT VISIT THE GALLERY TO VIEW THESE PHOTOS WHILE VISITING THE EXPO.
